A HOME OF THEIR OWN FOR THE CHILDREN - VRINDAVAN BALIKA SADANAM

Sevabharathi Palakkad is a humanitarian organization endeavouring to do selfless service to the people and working towards social –upliftment since 2018. We have launched a project “ VRINDAVAN BALIKA SADANAM ” with the specific aim of providing assistance to girls who are orphans or from socially/financially insecure settings. Towards this end Sevabharathi has undertaken the following responsibilities:

- Select girls who are from remote areas, denied education and peaceful life due to trying circumstances.
- Provide them with a good standard of living and quality education.
- Provide them motherly treatment and protection till they become self –reliant.
- Ensure a better and appropriate future for them.

Since the launching of the project in 2018, we have taken in 54 girls from various backgrounds and are giving them all possible assistance. Sevabharathi Palakkad aims to develop this center further for enhancing social transformation, imbibing true values of life in the young generation and prepare them to face the world on their own. We are endeavouring to create a home of their own for the children, so that maximum children can avail the facilities and find a meaningful life—from darkness to light. We request you to participate in this effort and provide wholehearted assistance to fructify the dream of a 'Home Of Their Own' for the children of Vrindavan Balika Sadanam
